**Subject:** Re: April 8 Passaic CAG Mtg Agenda

David,

I think that's mostly it. My understanding is that we will ask where they stand on the jobs and the vendor piece to let them know this is a serious concern. Green is important but local is fundamental. We can talk about this on the call. In addition to getting any feedback from Committees we want to ask the CAG if there are specific concerns they would like the Committee to address.

Talk at 3:30 PM.

Carol
